Port Salerno Seafood Festival gives back to the community

Stuart, FL (December 1, 2018) — The Port Salerno Seafood Festival is well known for dishing out the best seafood on the Treasure Coast. The Festival, conducted by the Port Salerno Commercial Fishing Dock Authority, is a celebration of their fishing heritage. They are not just good cooks they are also good people. “The fishermen are very involved with the community in which they live,” says Butch Olsen, Jr., president of the Dock Authority. “Giving back to the community is a significant part of our festival goals.”

The popularity of the Seafood Festival means donations for local groups who do great things for the region. “It’s just another way to demonstrate the kindness of this community,” says Olsen. This year we distributed \$12,000 to the following recipients: IRSC Girls Volleyball Team, Martin County 4-H Club, Murray Middle School, Port Salerno Elementary, Port Salerno Pine Rest Cemetery, Port Salerno United Methodists Church, Road to Victory Museum, Sea-Life Habitat Improvement Project, Inc., South Fork High School Baseball Team, Stuart Rotary, Stuart-Sunrise Rotary Club, Treasure Coast Waterway Cleanup, Treasure Coast Rowing Club and the Young Professionals of Martin County. We truly appreciate all who support our community and our Festival!

The 13th Annual Port Salerno Seafood Festival will take place on Saturday, January 26, 2019. If you have a large group that would like to know how to be part of our gifting program, please contact Shannon Scalise (sscalise4911@gmail.com). For more information regarding this year’s festival go to www.PortSalernoSeafoodFestival.org.

The Port Salerno Commercial Fishing Dock Authority, Inc. is a not-for-profit trade association dedicated to preserving the heritage and integrity of the Commercial Fishing Industry in Port Salerno.
